## **COUNTY WILL HAUL BURNED VEHICLES FREE OF CHARGE**

*Service Available to All Residents of Unincorporated Areas*

Property owners in the County's unincorporated areas can call the County of San Diego to remove vehicles that were destroyed by the recent wildfires free of charge.

The County will remove trucks, trailers and any other vehicle licensed or required to be licensed under the California Vehicle Code. The vehicles do not have to be currently registered or owned by the property owner where the vehicle is located. The Department of Planning and Land Use Code Enforcement staff will provide details on the program to property owners who call.

Property owners in North County (including Julian, Warner Springs, Santa Ysabel, Ranchita and Borrego Springs) can call (760) 940-2893. Residents of the East and South County (including Ramona) can call (619) 441-4264.
